## Upcoming Events

### January 26

- Prefects and House Captains leadership day

### February 1

- Cycle Tests begin

23 January 2018

Dear Parents and Students,

Welcome back to Charter College. A special welcome to all our new students and their parents.

### *Cambridge Examinations*

Congratulations to all of our students who wrote their Cambridge International Examinations at the end of 2017.

We were very pleased with our results.

The Grade 12 students made us extremely proud, with many of our students getting into university, not only in South Africa, but in Holland, Germany, America and the U.K.

Our top Cambridge students were Gary Peta and Yusuf Seedat. Many thanks to the staff for all their hard work and dedication.

### *Building*

I am sure everyone has noticed that an enormous amount of road works etc. have taken place around the school.

We have had to comply with the municipality and Charter College have spent close on R6 000 000, 00 on various projects:

## SPORTS & CULTURE NEWS

- The tarring of Johann Road
- Connection to municipal water
- Connection to municipal sewage
- Taking the pipe out of our property and returning the land to the way it was so that the stream can flow through freely.

Parents will be able to drive into the school to drop their children off and exit through the back gate.

The dropping off and collecting of students is a bit confusing at the moment. Please take care when reversing etc. We do not need any accidents or injuries to pedestrians. Signage will be put up as soon as all roads and path ways are complete. Please bear with us over the next few weeks.

### ***10<sup>th</sup> Anniversary***

Charter College is celebrating its 10th Birthday this year. We are going to be celebrating over a period of four days in April. We will keep you updated as to the exciting events that we have planned.

### ***Textbooks***

We are aware that many of the students are waiting for text books that are on back order. We are working around this for the time being.

### ***3 Terms***

In 2019 Charter College will be reverting back to a 3 terms. We did send a survey out last year and the majority of our parents prefer a 3 term school year.

### ***Fun Day***

We had a super day on Friday at our fun day, which traditionally takes place on the first Friday of the school year. The team spirit, as well as sportsmanship and fun banter between the houses is always awesome and this year was no different. Many thanks to Mrs Parry for organizing this year's event and to Mrs Kreusch and the grade 8 students who served us our hot dogs and cold drinks. The results of the fun day, as well as the winning Grade 8 house will be announced at next Friday's assembly.

## ***Parent Information Evening***

Please take note of the dates for the various parent information evenings. These evenings are important. They will give you an overview of what to expect this year as far as your child's academics and extra-curricular are concerned.

Have a super week.

Regards,  
Mrs. A. Dodge  
Principal

### ***Dates to Remember***

<b>Date</b>	<b>Description</b>	<b>Venue</b>	<b>Time</b>
