Dear Parents and Students,

Winter is finally here! Please ensure that your child is wearing their full winter school uniform. This includes ties and leakers. Please note that short sleeved white shirts are not part of the winter school uniform.

### ***OUTREACH PROJECT***

Our outreach programme is going ahead. The first thing we need to do is clear out the sheds at the back of the school. We will do this during the first week of the school holidays. We have put as many details about the Outreach Programme as possible on the D6 already and would be very grateful for any contributions.

Any cash donations, no matter how small, will be greatly appreciated and can be deposited into the school account, but will be allocated to the **Outreach fund**. This is an extremely worthy cause that would bring so much happiness and a little comfort to our staff who make each day a little easier for us.

### Sanitary Product Drive

We are collecting donations of ANY sanitary products! Caring4Girls and #MillionComforts. Charter College is dedicated to the continuing education of school children and the supply of essential female health products which has been proven to have a major impact in ensuring the continuation of a child's studies. Please support Mrs Ledsham with this project.

## ***SARDA and Tekkie Tax***

We had a super assembly on Friday. A team from SARDA (South African Riding for the Disabled) visited our school with two of their ponies. We were told all about SARDA and the good they do for the young people on a daily basis. At the end of the assembly the students were given the opportunity to interact with their horses. We raised R1430 selling Tekkie tax stickers! Well done Charter College.

## ***Equestrian***

The SANESA inter schools league comes to an end this weekend. It would be super if some of the students could come along on Saturday morning and support our Equestrian team. There is a schools parade, which will take place from 12H00. We would like as many students as possible to be part of the parade. It will take 30 an hour out of your Saturday. Any student who is able to attend is to give their name to Mrs. Dodge

## **SPORTS & CULTURE NEWS**

### **SPORTS, CULTURE**

Congratulations to the Charter College Boys Soccer Team who won their match yesterday 2 – 0

## ***Exams***

The Cambridge exams are well under way and seem to be going well. The College exams which the Grades 8,9,10 students will be writing commence on the 14th June. The students will be given the 13th June off school as a study day. The exam timetable have been given to the students. The demarcations on what to study will be given to the students and put on the D6 communicator shortly. The Grade 11 and 12 students will continue with lessons while the other students are writing their exams.

## ***Fundraising***

Fundraising at Charter College is serious business! With the grade 11 fundraising team being off due to IGCSE exams, the grade 10's stepped up to the plate and did an amazing job on Friday. The day was already great due to our SARDA visit and got better with break time sales of steaming hot chocolate loaded with yummy marshmallows! The smell of buttery popcorn wafted through the halls and made hungry tummies rumble! We even sold crazy pops to raise money. We did extremely well. Look out for our next event on the 9th of June.

## ***World Orienteering Day***

We had a wonderful afternoon at Zonnehoeve Stables last week. Canterbury Preparatory hosted an event to celebrate World Orienteering Day. This was an opportunity for parents, friends and family members to experience the sport and compete with or against the students. Great Fun was had by all! Both schools families arrived with gusto and after they had all returned from the orienteering adventure, we had hot chocolate and a marshmallow braai!  
Now let's wait and see if we broke the world record!  
Thank you to Mrs Bennett for organizing this great event!

Have a good week  
Regards  
Mrs. A. Dodge  
Principal
