Dear Parents and Students,

We have had a great start to the third term. The first week back at school was an extremely busy week. Students went through their exams papers and waited anxiously to receive their reports. We had a successful parents evening on Thursday evening and we look forward to what the third term holds for everyone.

Fundraiser

Pyjama and movie day was a huge success!

Arriving a school in your Pj's is a joyous thing, is it not?

The excitement was palatable. A day filled with popcorn hot chocolate and friendship.

The presentation of the films was outstanding. Moana was full and the kids loved the movie, while the matrics were terrifically terrified! Fun was had by all!

Thank you Charter College for yet another fun filed day!

Sanitary Product Drive

Friday was a big day at Charter College. We had two fabulous visitors at our assembly; Alyson from "Kindness like Confetti" and Jerry from the programme "Caring4Girls"

Caring4Girls is an initiative which provides sanitary care for underprivileged girls across South Africa. Research shows that girls from marginalised backgrounds could miss up to 50 days of school each year due to menstrual challenges. Their goal is to educate and assist young girls with everyday life in order to become the best that she can possibly be! By providing this necessity to young girls we help her feel more confident and understand herself better. The goal is to reach 2 million girls by the year 2020.

Dignity is the word! We want girls to have dignity!

They can and will achieve this much faster and even increase their goals with our assistance!

Charter College donated our collection of sanitary wear to these organisations on Friday. The stories that these two women told and the appreciation that was shown was amazing. We learnt about the struggles these girls face and how WE can help.

Let's keep collecting Charter College!

Drop off point at Mrs Ledsham's classroom!
