Upcoming Events

February 1

- Grades 8 - 9 Information Evening

February 2

- Cycle Tests Begin

February 8

- Grades 10 - 12 Information Evening

30th January 2017

Dear Parents and Students,

The academic and sporting Calendar is under way and we look forward to a very positive term.

On Saturday the Prefects, house Captains and a few of the teachers went on a team building morning to Go Ape, where they climbed on obstacles high in the tress and did some Zip lining through the trees. A good morning was had by all.

There is already a buzz of excitement around the school regarding the Valentines Fundraiser and the Neon Disco. The funds raised at both these events will be used for the Matric farewell.

News in General

CAMBRIDGE

The Cambridge I.G.C.S.E. examinations run from April-June this year. Th I.C.T

PARENT INFORMATION EVENINGS

Grades 8 and 9 - Wednesday 1st February. These meetings will take place in the register Teacher's classrooms and should give parents and students a very good idea of what to expect from the school year.

Grades 10 - 12 - Wednesday 8th February. This meeting will take place in the quad and will inform parents about the Cambridge exams and the interaction required.

Both meetings will start at 18H30.

practical exams will be written during the college holidays.

The exam timetable will be sent out this week.

UNIFORMS

As you are aware we are very proud of our school uniform. Please encourage your children to wear it correctly. The code of conduct explains the school rules with regards to make up, jewelry hair and shaving.

Please make sure your child understands the school rules. We have gone over the code of conduct with all students during the Cycle test period on the 19th January.

LOCKERS

Students have been allocated lockers. Each student needs to supply a lock for their locker. A combination lock is often the best, as keys get lost. Students are encouraged to keep any books they may not be using in their lockers.

Should students choose to keep their books at home, that is fine, however some students feel they need to bring all their books to school every day, regardless if they have that subject on their timetable that day or not. This is unnecessary and it is definitely not good for anyone's posture if they carry that bag around all day. Parents, please help us by reiterating this to your children.

CAREER ASSESSMENTS

Mr Dodge will be offering career assessment advice to any grade 10, 11 and 12 students who will be interested. More details will follow.

DATES TO REMEMBER

1ST February	Grade 8 and 9 Information Evening	Register Classes	18H30
