Dear Parents and Students,

It is hard to believe that we have reached the end of the third term and the end of the year is almost upon us. We have had a good but very busy term.

Academically the students received their IGCSE results which were very pleasing. The Grade 12 students are on study leave, hopefully preparing for their final examinations which begin on the 3rd October.

The Grade 10 and 11 Afrikaans students will be writing their Afrikaans IGCSE and AS Level exams during the school holidays. There are a few other students who will be writing IGCSE exams too. All the students have been given their statements of entry as well as an examination timetable. The Cambridge exam timetables has been put on the D6 communicator under resources.

The college exams commence on the 7th November. This is only a few weeks after we return to school. The exam timetables will be handed out on the 17th October. Students who do not know what to study should study the whole year's work. The demarcations will be put on the D6 communicator.

The sporting and cultural calendar has been successful with its culmination in Interhouse athletics as well as teacher/ student Soccer and Hockey matches. The results will be released at our final assembly for the term on Friday. Thank you to all the teachers who have been committed to extra murals this term.

School will break up, for the holiday, at 12:00 this Friday, 29th September. Friday is a compulsory school day. Students will be writing cycle tests. We will then have our Interhouse quiz. I feel that effort has been put into the quiz for the student's enjoyment. It is disheartening when students are collected early because they 'couldn't be bothered'. It is the ethos of Charter College to prepare students for life. Please don't collect your child early because the quiz is "not important". All students will be given the opportunity to participate.

Have a super break. If you are going away, travel safely. Good luck with the studying.

Regards
Mrs. A. Dodge
Principal
