Final Assembly

30 October 2017

Dear Parents and Students,

Condolences

Sadly one of our parents, Mrs. Sterling, passed away last Tuesday. There will be a memorial for Mrs. Sterling on Thursday 2nd November at St. Martins on the Ontdekkers in Roodepoort. The memorial will start at 13H00.

Due to the fact that many of our staff members, and some of our students, will be attending this memorial, we have decided that the school will close at 12h40. Students may be collected at that time, however, if you are unable to collect your child then, the school will still be open and there will be some staff on duty. Students will be able to sit in the classrooms and study until the end of the school day.

Examinations

This week is the last week of school before the start of the examinations.

The college exams commence on the 7th November. The students should all be studying hard. Students who do not know what to study should study the whole year's work. The demarcations are on the D6 communicator.

The exams finish on the 23rd November.

Students are required to be at school on the 24th November to check their exam papers.
