29 October 2018

Dear Parents and Students,

Last Friday we held the Welcome Assembly for all our new students for next year. It was so exciting to see all the new faces. We have new students joining us from all over the world from grade 8 to grade 11. After a recap of some memorable school moments and the general history of Charter College by Mrs Dodge, the grade 8's performed their excellent 6 word speeches recalling their favorite and most memorable moments of 2018. The grade 11's then presented their academic and cultural speeches originally from the leadership day the week prior. In the end it is safe to say a fun morning was had by all.

Cambridge and College Exams

The Cambridge exams are under way and seem to be going well. The College exams start on the 6th November. All exam timetables have been put on the D6 communicator. We are aware that some parents are unable to collect their children directly after the exams. Please don't panic. There are always classrooms available for students to sit in and study.

3 Terms

In 2019 Charter College will be reverting back to a 3 terms. We did send a survey out last year and the majority of our parents prefer a 3 term school year.

Mr Dodge is offering subject choice and career assessments to all Grades 9, 10 and 11 students. The students have received the letter. There is also a copy available on the D6 or you can contact the office for more details.
