Congratulations to our Blood donors gave blood on Friday. Some of our students very bravely gave blood for the first time.

Sanitary Product Drive

We are collecting donations of ANY sanitary products! Caring4Girls and #MillionComforts. Charter College is dedicated to the continuing education of school children and the supply of essential female health products which has been proven to have a major impact in ensuring the continuation of a child's studies. Please support Mrs Ledsham with this project.

News in General

PUBLIC SPEAKING

Congratulations to Kim Marinda, who received an 'A' at the Individual Public speaking event last week. We are very proud of her. This week we have two Public speaking teams participating on Monday and Tuesday evening.

CONCESSIONS – THIS IS VERY IMPORTANT

A few students may need to apply concessions for cycle tests and exams. Should a student battle to read, have dyslexia, dyspraxia, have hand writing that is difficult to read, a sight or hearing problem they may be eligible for concessions. Should your child need any concessions a psychologists, or other professional report must be provided to the school. Cambridge may or may not grant concessions. Concession reports may not be older than 3 years.
