27 March 2017

Dear Parents and Students,

Our Grade 8 students along with their register teachers, Mrs. Fourie and Miss Minnaar, left for Camp Konka this morning. We will keep Parents updated on the D6 communicator. The students are due back on Saturday the 25th at approximately 12H00.

Thank you for your patience and understanding, with regards the protestors last week. As mentioned before, I would rather err on the side of caution and make sure all students and members of staff are safe. Everything seems to have returned to normal. I will keep you updated.

A few of our teachers spent their long weekend at St. John's school, where they completed various Cambridge courses. Each year, Cambridge brings examiners out from the U-K to give teachers support with regards to the Cambridge curriculum. Once again, this training proved to be very worthwhile. Thank you to all the staff that attended.

### Sanitary Product Drive

We are collecting donations of ANY sanitary products! Caring4Girls and #MillionComforts. Charter College is dedicated to the continuing education of school children and the supply of essential female health products which has been proven to have a major impact in ensuring the continuation of a child's studies. Please support Mrs Ledsham with this project.
